## Choose Nuway

**A product range designed to work, not just look good on day one!**

NUWAY, made in Australia by Spectrum since 1981, genuine double sided, strong, solid underfoot, with many installations over 20 years old is proof of the warranty and low life cycle costs available in a range of styles, price points and custom sizing.

Spectrum has been at the forefront of specialist entrance flooring technology for over 33 years and is committed to long term development, providing innovative, state of the art products to meet market and client requirements.

With access to at least two generations of flooring expertise, no entrance area is too big, too small or too awkwardly shaped for a Nuway matting system. With

Nuway's durable, engineered barrier matting, each installation is tailored perfectly to your needs.
