Choose Spectrum for premium performance

**DUO**, made in Australia by Spectrum, genuine double sided, strong, solid underfoot, with installations and low life cycle costs available in a range of styles, price points and custom sizing.

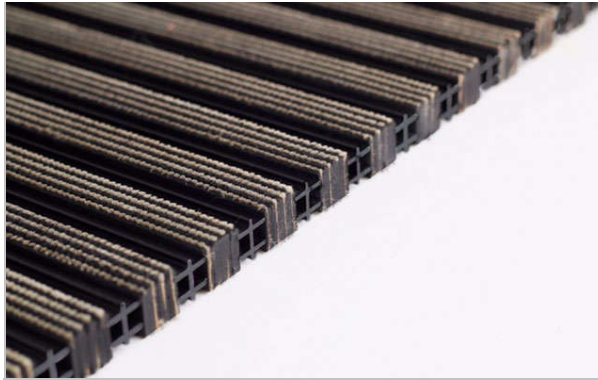

Spectrum has been at the forefront of specialist entrance flooring technology for over 30 years and is committed to long term development, providing innovative, state of the art products to meet market and client requirements.

With access to at least two generations of flooring expertise, no entrance area is too big, too small or too awkwardly shaped for a Spectrum matting system. With durable, engineered barrier matting, each installation has been tailored perfectly to your needs.
