

First Choice for Health Care Flooring

Spectrum Floors has been providing rubber flooring solutions to health care providers for many years. We specialize in providing a durable, comfortable, hygienic, low maintenance and low life cycle cost flooring solutions to hospitals, research laboratories and allied health practices. With the quantity and quality of ranges available Spectrum rubber flooring products are brought to you with over 30 years' flooring experience, you can be confident that these rubber flooring solutions will meet your objectives and requirements for your next health care project.

We have recently provided the flooring for a couple of health facilities in Albury & Sydney, respectively, where GECA (Australia) and Greenguard (USA) certified products have been installed. Please see below for more information.

Albury Wodonga Regional Cancer Centre

ARCHITECT: Billard Leece Partnership (BLP) – Tonya Hinde from ID

The Albury Wodonga Cancer Care Centre integrates local public and private cancer services with 30 inpatient beds, 30 day clinic beds, radiotherapy bunkers, and a consulting/wellness centre - approximately 3,000m².

Westmead Medical Research Institute

ARCHITECT: Scientific Interiors

For the Westmead Medical Research Institute, it was time to refurbish their existing flooring, with a more durable and economical flooring solution. The client selected the hard wearing, Spectrum Granito with its very low VOC's as the right solution for their refurbishment.
