

## Absolutely the best quality in rubber - IT'S CERTIFIED!!

SPECTRUM CONTRACT rubber flooring is safe for the environment at every stage of its life, from production to storage, from initial installation to use and to eventual disposal. Benefit from our experience of over 33 years of manufacturing Nuway mats here in Australia.

### Innovative design and colour

The manufacturer scrutinises each step of the production cycle to minimise resource waste & eliminate toxic gases.

Products meet or exceed ISO, EN and other international standards for integrity in production and products.

## Better choice for quality, comfort and acoustics.

### Benefits

- Eco friendly
- Better IAQ (Greenguard) and environmental qualities (GECA certified)

Zero Studded - available in 6 colours

Granito - available in 24 colours

## Australian stock for immediate delivery.

"One of the comments I have heard a few times (and I can also attest this it) has been the very fresh smell of the new building. I can only attribute this to the flooring you have installed and this helps greatly in creating a pleasant environment in which to work and teach."

Project Manager : Buildings & Property Division
