Lighted Stair Nosing Solutions

We were delighted to work with and supply our lighted stair nosing solutions to one of Australia's oldest, and most highly regarded universities – Sydney University. Our lighted stair nosings were selected and installed at Sydney University lecture theatres.

Our stair nosings deliver superior safety with a wide range of profiles to suit all requirements with the safe, low voltage, low energy consumption and low maintenance complimented with Australian Standard slip resistance and luminance contrast nosings.

Our complete systems are easily installed with modular components and free technical advice available to our clients.
