

Make Safety 1st, 2nd & 3rd Priority!

Here is a sad story of a workplace injury that could have been avoided with the right products in use.

Worker burned by 'fireball': flooring company waits to hear fine

A flooring worker was caught in a fireball when a nearby colleague started a gas torch... Around 5pm, the victim was holding a bucket of flammable glue as he worked in a shower cubicle. His colleague, working in the toilet cubicle next door, thought the gluing had finished and ignited a LPG gas blow torch...
