With a fresh look and an intuitive new website, finding the right product has never been easier!

Providing excellent service to our customers has always been our primary focus at Spectrum Floors. We've spent 20 years delivering expert advice and sourcing flooring products from around the world to give you the best range and results for your projects.

To make it easier for you to recognise products backed by the quality and support you've come to expect from Spectrum Flooring, we've **updated our branding** for a modern, more cohesive feel.

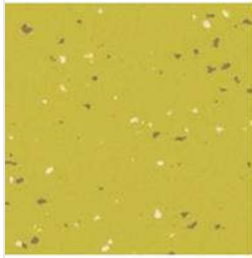

Our rebrand also comes with a shiny **new website**, fresh out of the box with an intuitive, user-friendly design. If you're looking for a flooring product that has a specific colour, quality, or purpose (or any combination of features), our new search function makes it easier than ever to find what you need.
