

The beauty of imperfection.

SAE QUANTM is a creative media institute in Sydney. This spectacular training facility showcases early installations and many specifications of our fantastic Screed rubber flooring range. SAE QUANTM's facility is the perfect demonstration of the comfort, low maintenance and acoustic features offered by Screed.

So what is Screed? Screed is a smooth rubber flooring product with a minimal, contemporary design. Screed has concrete appearance, featuring the beauty of imperfection in a wide range of neutral shades - the result of an innovative industrial process.

Ask us for a product sample today and see for yourself the outstanding creative possibilities, excellent practicality and versatility offered by Screed rubber flooring.

Please contact us for samples and further information.
