

FUTURA

Clean & Green Resilient Rubber Flooring

After 20 years the Spectrum Contract Rubber Flooring model, Futura, is being run-out to make way for new product lines. If you would like to secure some of the remaining stock, you can take advantage of our run-out pricing, from just \$32 ex gst m², by the roll.

Heavy duty homogeneous synthetic rubber flooring with a lightly textured surface incorporating multicoloured granules for use as a quality resilient surface in a wide range of building projects.
